

# Earning your degree is easier than you think.

There are a lot of things to consider when deciding to go back to school for a degree: costs, commute, the time it takes. But with the Rochester College accelerated degree programs, learning and earning has never been faster, or more convenient.

## Think getting your degree would take too long?

Online and on campus courses are completed in just **8 weeks** with our accelerated classes.

## Think you won't find the right degree?

We offer **6 exceptional accelerated degree programs** including two that you can complete entirely online.

## Think campus will be too far away?

The accelerated degree programs offer courses online and on campuses in the Detroit Metro area.

## Think returning to school isn't in your budget?

We offer numerous financial aid options to help you pay for college.

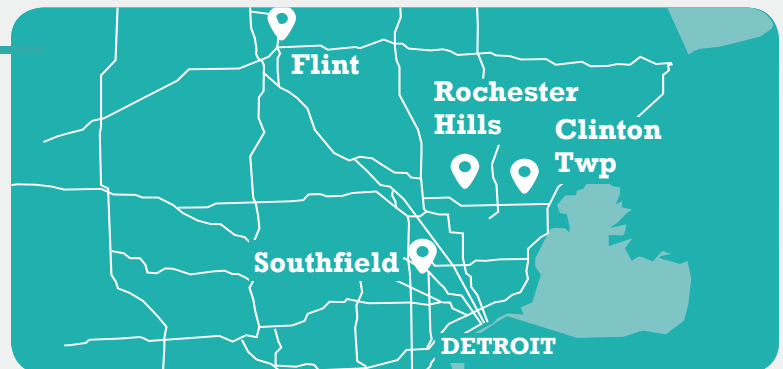

## Think you will lose your past college credits?

At RC, you can transfer in up to **90 semester hours**.

## Earn your degree in as little as **16 months**
