

## Job Description

**JOB TITLE:** Adjunct Instructor – Nutrition  
**DEPARTMENT:** Math and Science  
**REPORTS TO:** Dean of Natural and Behavioral Sciences

**COLLEGE MISSION:** Rochester College cultivates academic excellence, principled character, servant leadership, and global awareness through a rigorous educational experience that integrates liberal arts and professional studies within an inclusive Christian heritage.

**POSITION SUMMARY:** Rochester College is seeking a biology instructor to teach in the Traditional Program on its main campus during the Fall 2018 semester.

*Rochester College is a private, Christian institution. Successful candidates must support the Christian mission of the institution.*

**EDUCATION AND/OR EXPERIENCE REQUIRED:**

- Master's Degree or higher in Biology or related field
- Background in nutrition
- Previous teaching experience preferred

**ESSENTIAL DUTIES AND RESPONSIBILITIES:**

- Duties include all responsibilities associated with being the course instructor
- Use of syllabus, course preparation, lecture and oversight of student academic work
- Follow instructional duties as described in the Faculty Handbook, as well as other Rochester College institutional policies
- Provide learning activities and support that will lead to the achievement of the course learning objectives
- Provide access to students through electronic communication (email and Moodle) and other appropriate methods
- Maintain accurate records and grades
- Return graded work to students in a timely manner
- Submit required college reports and forms, particularly self-evaluation and course assessment
- Maintain professional relationships with students, colleagues and the community
