Job Posting Request Form

Company Name

Kroger

Position Title

Location Hiring Rep

Job Description

You will provide EXCEPTIONAL Customer Service to Every Customer, Every Time, Every Day as well as live our company Values & by our Customer Service model. You will perform daily required Department tasks and any tasks assigned by Department or Store Management. Previous experience is preferred but training can & will be provided to the right Candidate!

The starting rate of pay is \$9.35 per hour; however, based on previous work experience your starting pay rate can go up from there! Please make sure to include ALL of your work experience for the last 10 years on your application. Attaching a resume is great but the team that determines Work Experience Credit will not use it as information for determinations. The work experience must be on your application with starting dates & ending dates as well as contact information for that employer.

Also please note ... I am hiring to fill the position's scheduling needs; the needs require you to be available nights; weekends & Holidays. The fact that this is a retail job requires you to be available on weekends, Holidays & nights as needed! There are no exceptions, you must have weekend, night & Holiday availability to be employed at this store. We use Sonority based scheduling; which means that Full-time & more senior Part-time associates will get the earlier shifts. Please do not apply if you do not have these days/times available! Feel free to check with other Kroger stores around your house as they may have different needs than this store has but this availability is a general need for most all Kroger stores.

Also if you are not close to the Rochester Hills area please apply to stores closer to your home. I can not guarantee a starting wage above \$9.35 per hour so it is to your benefit to work as close to your home as possible!
